GREEN KNIGHT

THE GREEN KNIGHT

PRESENTED BY

THE SENIOR CLASS

CLINTWOOD HIGH SCHOOL

DEDICATION

In deep appreciation of their tireless efforts to guide us along the rugged path of knowledge, for their lofty ideals, and for their constant inspiration to us as we struggled for higher achievements, we are proud to dedicate to the faculty this annual.

To our parents: who have had so large a part in making our high school years happy ones. Behind us you have stood, strong in your love for us, supporting us when our own determination and strength wavered. When school cares threatened broken hearts, you have soothed us with understanding and kindness. With anxious hearts you have guided us, pointing out landmarks along life's way, that we might recognize and enjoy the worthier things of life.

As we have always brought home to you our crude drawings and prize compositions now we bring to you with love and gratitude this last achievement, THE GREEN KNIGHT OF 1959.

To Our Miss Evelyn Yates:

As we planned our annual and examined our years of accomplishment in this school, we know that you deserve a yearbook citation.

Your personal interest and your friendly attitude have quieted our curiosity and our nerves many times during our five years here. It is uncanny how you have called each of us by our names, how you have known the grade we were in and the homeroom we had.

You have expertly kept our records, and whether they are good or bad, you have never told anyone.

In your responsibility for our finances you have been untiring and exact. Most people would have gone into orbit had they had your task of giving us our announcements, our cards, our gowns and our rings. You have never made a mistake in number or in money, and you have always done these things with a smile. In addition, you went beyond your duty when you helped us with our football stand.

We are truly grateful for your efficiency, your willingness, and your courtesy.
